Note:

Pre- and early childhood education (VVE) is intended for young children from approximately 2 to 6 years of age. There are specially developed programmes for children of that age with a risk of language and developmental delays. Early childhood education takes place in a pre-school playgroup and/or nursery and is intended for toddlers aged 2 to 2,5 and 3 years. Early childhood education takes place in primary schools and is aimed at children in kindergarten classes.

The information from this form will be used to complete your child's registration with Anne Frank primary school. If your child is younger than 3 years and 9 months, you will initially receive proof of registration. The actual process of registration starts when your child is 3 years and 9 months old. Within 6 weeks after this moment (with a legal extension to 10 weeks) you will receive further information about the decision of an actual placement. If your child is already older than 3 years and 9 months when you register, the same procedure applies.

For more information about what Anne Frank primary school does with the data, please see the privacy statement on our website (www.mosalira.nl).
